How To Apply:

Begin your Profile information at [GSBA My Revelus ATS](#) so that you're ready for future searches, and you will also see open searches from other State Associations in Revelus. Welcome to GSBA's application platform, Revelus. There are TWO PARTS to the application process:

- **YOUR PROFILE.** This includes your contact information, work and education histories, three reference forms (you must check the boxes to send out through the system), transcripts, license and resume. Your profile will automatically be included as part of your application(s), and only needs to be completed once and kept up to date.
- **YOUR APPLICATION.** You will complete a separate application for each position you are interested in (see list of "Open Searches" in Revelus). The application will consist of your profile, letter of interest, answers to district-specific questions and your Affirmation Page.

When you're ready to begin, click **LOG IN** at the top right of the screen and select "Create new account." If you already have an account and profile, you can go immediately to an application.
