Byrd Anti-Lobbying Amendment (31 U.S.C. 1352): Vendors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. ### II. **DEBARMENT AND SUSPENSION VERIFICATION** (for bids over \$25k)

Institutions shall solicit offers from, award contracts to, and consent to subcontracts with responsible vendors and/or principals only. The serious nature of debarment and suspension requires that sanctions be imposed only in the public interest for the Government's protection and not for purposes of punishment. Institutions shall impose debarment or suspension to protect the Government's interest and only for the causes and in accordance with the procedures set forth in 2 CFR 200.213.

The Vendor certifies that the Vendor and/or any of its sub vendors or principals have not been debarred, suspended, or declared ineligible by any agency of the State of Georgia or any agency of the Federal government or as defined in the 2 CFR 200.213 which states "Non-federal entities are subject to the non-procurement debarment and suspension regulations implementing Executive Orders 12549 and 12689, 2 CFR part 180. These regulations restrict awards, subawards, and contracts with certain parties that are debarred, suspended, or otherwise excluded from or ineligible for participation in Federal assistance programs or activities." The Vendor will immediately notify the School Food Authority if Vendor is debarred or placed on the Consolidated List of Debarred, Suspended, and Ineligible Vendors by a federal entity. See Attachment F

By signing this agreement, the Vendor is testifying that they are not debarred, suspended, or has any ineligible or voluntary exclusions with the U.S. Department of Agriculture or any other Federal or State Agency. All responses will be verified. SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

### III. BUY AMERICAN STATEMENT (Food only) (7 CFR Part 210.21(d))

Contractor must comply with the William F. Goodling Child Nutrition Reauthorization Act of 1998 (Buy American Act:7 CFR 210.21(d)) which requires schools and institutions participating in the National School Lunch Program (NSLP) and School Breakfast Program (SBP) in the contiguous United States to purchase, to the maximum extent practicable, domestic commodities or products for use in meals served under the NSLP and SBP.

Buy American:

(1) Definition of domestic commodity or product. The term 'domestic commodity or product' means:

- (i) An agricultural commodity that is produced in the United States; and
- (ii) A food product that is processed in the United States substantially using agricultural commodities that are produced in the United States. Substantial means over 51% of the final processed product consists of agricultural commodities that were grown domestically.

Products from Guam, American Samoa, Virgin Islands, Puerto Rico, and the Northern Mariana Islands are allowed under this provision as territories of the United States.

The Buy American provision (7 CFR Part 210.21(d)) is one of the procurement standards SFAs must comply with when purchasing commercial food products served in the school meals programs. Exceptions to the Buy American provision are very limited; however, an alternative or exception may be approved by the SFA upon request. To be considered for an alternative or exception, the request must be submitted in writing to the SFA, a minimum of 2 business days in advance of delivery. The request must include:

- (1) Alternative substitute(s) that are domestic and meet the required specifications:
  - (a) Price of the domestic food alternative substitute(s); and
  - (b) Availability of the domestic alternative substitute(s) in relation to the quantity ordered.
- (2) Reason for exception: limited/lack of availability or price (include price):
  - (a) Price of the domestic food product; and
  - (b) Price of the non-domestic product that meets the required specification of the domestic product.

By signing this document, the vendor certifies that all domestically identified products listed within the response to the attached specifications were processed in the U.S. and contain over 51% of their agricultural food components, by weight or volume, from the U.S. Any response listing a non-domestic product will include a valid resource to verify that the non-domestic good is not produced or manufactured in sufficient and reasonable available quantities of a satisfactory quality within the U.S.

#### IV. REMEDY FOR NON-PERFORMANCE/ TERMINATION OF CONTRACT

(a) **Immediate Termination.** This contract will terminate immediately and absolutely if the MMGCG School Nutrition Program determines that adequate funds are not appropriated or granted or

funds are de-appropriated such that the MMGCG SFA cannot fulfill its obligations under the Contract, which  
(b) determination is at the MMGCG SFA's sole discretion and shall be conclusive. Further, the MMGCG SFA may terminate the Contract for any one or more of the following reasons effective immediately without advance notice:

- (i) In the event the Vendor is required to be certified or licensed as a condition precedent to providing goods and services, the revocation or loss of such license or certification may result in immediate termination of the Contract effective as of the date on which the license or certification is no longer in effect;
- (ii) The MMGCG SFA determines that the actions, or failure to act, of the Vendor, its agents, employees or sub vendors have caused, or reasonably could cause, life, health or safety to be jeopardized;
- (iii) The Vendor fails to comply with confidentiality laws or provisions; and/or
- (iv) The Vendor furnished any statement, representation, or certification in connection with the Contract or the bidding process, which is materially false, deceptive, incorrect, or incomplete.

(b) **Termination for Cause.** All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be affected and the basis for settlement. The occurrence of any one or more of the following events shall constitute cause for the County/City SFA to declare the Vendor in default of its obligation under the Contract:

- (i) The Vendor fails to deliver or has delivered nonconforming goods or services or fails to perform, to the SFA's satisfaction, any material requirement of the Contract or is in violation of a material provision of Contract, including, but without limitation, the express warranties made;
- (ii) The SFA determines that satisfactory performance of the Contract is substantially endangered or that a default is likely to occur;
- (iii) The Vendor fails to make substantial and timely progress toward performance of the Contract;
- (iv) The Vendor becomes subject to any bankruptcy or insolvency proceeding under federal or state law to the extent allowed by applicable federal or state law including bankruptcy laws; the Vendor terminates or suspends its business; or the County/City SFA reasonably believes that the Vendor has become insolvent or unable to pay its obligations as they accrue consistent with applicable federal or state law;
- (v) The Vendor has failed to comply with applicable federal, state and local laws, rules, ordinances, regulations and orders when performing within the scope of the Contract;
- (vi) The Vendor has engaged in conduct that has or may expose the MMGCG SFA or the State to liability, as determined in the MMGCG SFA's sole discretion; or
- (vii) The Vendor has infringed any patent, trademark, copyright, trade dress or any other intellectual property rights of the MMGCG SFA, the state, or a third party.

**(c) Notice of Default.** If there is a default event caused by the Vendor; the MMGCG SFA shall provide written notice to the Vendor requesting that the breach or noncompliance be remedied within the period of time specified in the MMGCG SFA's written notice to the Vendor. If the breach or noncompliance is not remedied within the period of time specified in the written notice, the MMGCG SFA may:

- (i) Immediately terminate the Contract without additional written notice; and/or
- (ii) Procure substitute goods or services from another source and charge the difference between the Contract and the substitute contract to the defaulting Vendor, and/or,
- (iii) Enforce the terms and conditions of the Contract and seek any legal or equitable remedies.

**(d) Termination upon Notice.** Following thirty (30) days' written notice, the MMGCG SFA may terminate the Contract in whole or in part without the payment of any penalty or incurring any further obligation to the Vendor. Following termination upon notice, the Vendor shall be entitled to compensation, upon submission of invoices and proper proof of claim, for goods and services provided under the Contract to the MMGCG SFA up to and including date of termination.

**(e) Termination Due to Change in Law.** The MMGCG SFA shall have the right to terminate this Contract without penalty by giving thirty (30) days' written notice to the Vendor as a result of the following:

- (i) The MMGCG SFA's authorization to operate is withdrawn or there is a material alternation in the programs administered by the MMGCG SFA; and/or
- (ii) The MMGCG SFA's duties are substantially modified.

**(f) Payment Limitation in Event of Termination.** In the event of termination of the Contract for any reason by the MMGCG SFA, the SFA shall pay only those amounts, if any, due and owing to the Vendor for goods and services actually rendered up to and including the date of termination of the Contract and for which the MMGCG SFA is obligated to pay pursuant to the Contract or Purchase Instrument. Payment will be made only upon submission of invoices and proper proof of the Vendor's claim. This provision in no way limits the remedies available to the MMGCG SFA under the Contract in the event of termination. The MMGCG SFA shall not be liable for any costs incurred by the Vendor in its performance of the Contract, including, but not limited to, startup costs, overhead or other costs associated with the performance of the Contract.

**(g) The Vendor's Termination Duties.** Upon receipt of notice of termination or upon request of the MMGCG SFA, the Vendor shall:

- (i) Cease work under the Contract and take all necessary or appropriate steps to limit disbursements and minimize costs, and furnish a report within thirty (30) days of the date of notice of termination, describing the status of all work under the Contract, including, without limitation, results accomplished, conclusions resulting there from, and any other matters the MMGCG SFA may require;

- (2) After vendor's second offense of providing sub-par product, late delivery and/or poor customer service, the SFA will send a certified notice to the vendor documenting that this is the second offense, and a third offense will result in termination of the contract for cause. If the offense is providing sub-par product, then the vendor agrees to pay the School Food Authority to purchase quality product at the vendor's expense.
- (3) After the vendor's third and final offense of the aforementioned, the SFA will terminate the contract for cause in writing via email and regular mail, copying the District Purchasing Compliance Officer.

  - iii) The School Nutrition Program reserves the right to disqualify bids upon evidence of collusion with intent to defraud or other illegal practices upon the part of the Bidder.

### *Instructions for Certification*

- (1) By signing and submitting this form, the prospective primary participant is providing the certification set out on page 1 in accordance with these instructions.
- (2) The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant must submit an explanation of why it cannot provide the certification set out on this form. The certification or explanation will be considered in connection with the Department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation will disqualify such person from participation in this transaction.
- (3) The certification in this clause is a material representation of fact upon which reliance was placed when the Department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the Department or agency may terminate this transaction for cause or default.
- (4) The prospective primary participant must provide immediate written notice to the Department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- (5) The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549, at 2 CFR Parts 180 and 417. You may contact the Department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.
- (6) The prospective primary participant agrees by submitting this form that, should the proposed covered transaction be entered into, it may not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the Department or agency entering into this transaction.
- (7) The prospective primary participant further agrees by submitting this form that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by the Department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- (8) A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the General Services Administration's System for Award Management Exclusions database.
- (9) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- (10) Except for transactions authorized under paragraph (6) of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the Department or agency may terminate this transaction for cause or default.
